## **Humana builds new Elderly Care home in Strängnäs**

**Humana has won the procurement and signed an agreement for a new elderly care home with 100 apartments in Strängnäs. The procurement includes both building and running the operations on behalf of the municipality. The elderly care home is planned to open in spring 2025 and the contract runs for 20 years in total.**

With this agreement, Strängnäs municipality secures access to 100 apartments for many years to come. In connection with the opening, there will be an operational transition from Thomasgården, an elderly care home with 40 apartments, where residents are offered accommodation in the new facility and staff are offered employment. Humana will together with Odalen fastigheter develop the new elderly care home and Humana will run the operations. It will be built in the area of Södra stadsskogen.

"We are happy to finally be able to sign an agreement with Strängnäs municipality and to start work on a new elderly care home in Strängnäs. It feels fantastic that Humana has been trusted with running really good elderly care in Strängnäs for many years to come," says Anders Broberg, Business Area Manager Humana Elderly Care.

Humana has since 2008 conducted high-quality elderly care and we continuously develop our operations. In our winning tender in Strängnäs, we invest additionally in employee training, new roles to meet the needs of the elderly, conditions for safe leadership, nurses on site around the clock and security-creating welfare technology such as modern safety alarms, digital planning system and digital signing of medicines.
